- HLP Secretariat established, led by Homi Kharas
- SDG Open Working Group will be supported by UN Task Team, co-located with HLP Secretariat
- OWG not yet established

Global processes – High Level Panel meetings

- Ongoing – informal teleconferences & envoy meetings
- Jan/Feb: Monrovia meeting
 - Theme is **economic transformation**, including:
 - Structural barriers to growth
 - Sustainable and equitable growth
 - Attracting responsible private sector investment
 - Financing economic transformation
 - Special circumstances of conflict-affected and fragile states
 - Will be held over 3 days with one day of outreach and 2 days of meetings
- March: Bali meeting. Focus on global partnerships
- Mid-May: New York meeting. Will finalise the HLP report to the UNSG

Global processes – the Open Working Group

- To be established to deliver Rio+20 outcome that a process should be established amongst UN Member States to develop proposals on Sustainable Development Goals to be agreed by the UN General Assembly
- Led by Brazilian mission
- Rumoured likely members include: Brazil, Colombia, Peru, Norway, Ireland, Netherlands, Denmark, France, Malta, Bangladesh
- Should be established by end-2012, but.....?
- All member states have been asked to respond to an online questionnaire about the development of SDGs, including their linkages to the HLP process – any news on the UK response?
